

# REGISTRATION FOR 2016 SA SOLAR BOAT CHALLENGE

DESIGN AND TECHNOLOGY TEACHERS ASSOCIATION OF SOUTH AUSTRALIA      <http://www.datta.sa.edu.au>

**Sunday 2016**      Westbourne PS, 2 Marlborough Road, Westbourne Park  
 [Commencing at 9.00am]

**Closing date for entries: Friday 24th October**

*This form is for the registration of the total number of entries from a school or other organisation*

*A scrutineering form [also available on this website] is to accompany **each** boat being entered. Scrutineering will commence at 9.00am, and each boat will then be allocated a racing number.*

Entry Details		Number of entries	Entry Fee	Total
Junior [less than 13 years on 1st July]	Junior [motor up to \$20]		\$12	\$
	Junior Restricted [kit of motor / shaft / propeller (up to 30mm dia), motor up to \$5]		\$12	\$
Senior			\$12	\$

Total of Cheque enclosed: \$ \_\_\_\_\_  
*Cheques payable to DATTA SA Inc*

**PLEASE NOTE** Some late entries on the day of the competition may be acceptable, but cannot be guaranteed. This will depend on the number of boats already registered. Any late entries that can be accepted will be at the rate of \$20 per boat, and must be registered at the venue by 8.45am. This is because entries effected on the day delay the start of the competition for everyone while the schedules for racing are re-worked.

**Certification** We have read and accept the rules for the 2016 SA Solar Boat Challenge.

The boats entered are completely the work of the students presenting them, apart from some limited adult help to improve their construction skills [as detailed in the rules]

We understand that some photographs of the general racing scene may be taken and used at a later stage for promotional purposes. Please note though that should a picture be required that contains 'close-up' images of an individual or a small group of students, permission would first be sought through the school/organisation.
